Allergy Advice

Allergens used regularly in our kitchen include egg, gluten, milk, seafood, celery, sulphites, soya, mustard and sesame. These may change at any time. Please inform a member of staff if you have any allergies. Whilst we have extremely strict hygiene and high standards of practise, it is not possible to guarantee against cross contamination

Key

Vegetarian

Vegan

Gluten-free

* The main dish is gluten-free but it is served with gluten containing bread separately. Discard the bread or ask for without

**

The gluten free bases are bought in and not made on site. Gluten free pizzas and garlic breads are prepared on clean trays using separate utensils; however, the surrounding kitchen has gluten containing flour being used extensively and so it is impossible to guarantee gluten content under 20ppm. Please use your own discretion based on the severity of your intolerance.
